# PureSpa™ with Fiber-Tech™ Technology

DESIGNED FOR COMFORT. ENGINEERED FOR DURABILITY.

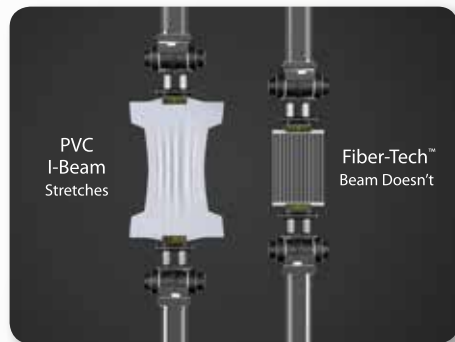

Introducing Fiber-Tech™ Technology, designed to offer superior structural stability while maintaining a comfortable surface for a luxurious and refreshing spa experience.

## 5 Reasons to Own a PureSpa

- Comfortable
- Durable
- Portable
- Easy Set Up
- Stunning Design

Industry standard spa interior has been enhanced with lightweight, high-strength fibers for amazing durability and comfort.

U.S. Patent No. 8,562,773

Conventional Inflatable Spa

PureSpa™ by INTEX®

Fiber-Tech™ Technology provides the ultimate comfort and support.

### Durable Exterior

Puncture-resistant 3-ply laminated material

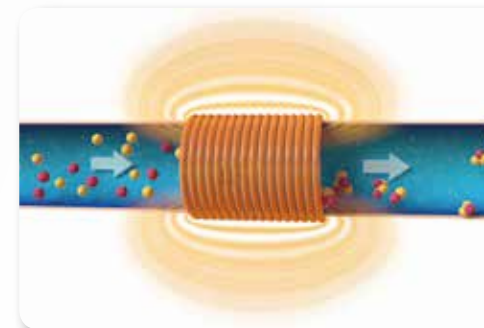

Built-in Hard Water Treatment System makes water gentler on skin, clothes and the entire spa system.

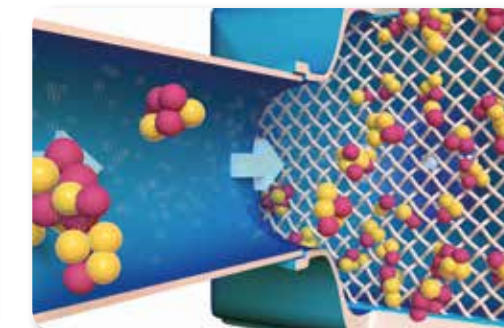

### Industry First – Hard Water Treatment System

Hard water build up limits water flow and reduces the life of your spa.

The system generates an electro-magnetic field that agitates calcium and other minerals in the water causing them to create suspended crystals.

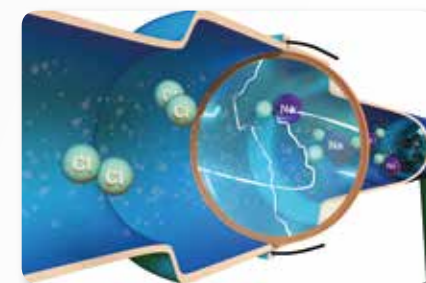

The suspended crystals of hard water elements are retained in the filter cartridge leaving soft water in the spa.

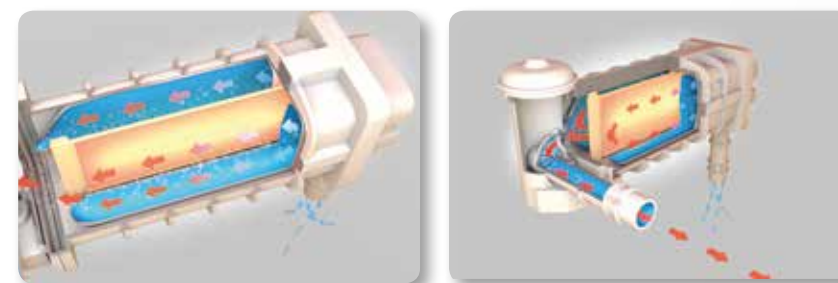

The saltwater system utilizes an electrolytic cell to split salt molecules into natural chlorine providing sanitized water without adding concentrated chlorine or harsh chemicals.

### Saltwater Purification System

### Powerful and Safe Heating System

The Positive Temperature Coefficient (PTC) heater is designed to maximize heat transfer to the water, while ensuring the highest level of safety, performance, and longevity.

A new standard in standard features.

## Standard Features

For Friends and Family

Fits up to 4 people

Simple Control

Easy to use control panel

Easy Portability and Storage

Grab handles for comfort and ease of transport

Carry bag for easy storage and transport

Safety

Spa Cover with locking buckles to prevent unauthorized access

Minimum Heat Loss

Spa Cover to minimize heat loss

Ground Cloth to protect bottom surface and minimize heat loss

Easy Maintenance

Floating Chemical Dispenser for easy maintenance

Replaceable filter cartridge

PureSpa™

## Bubble Therapy BY INTEX®

There's nothing like a soothing, warm soak surrounded by thousands of therapeutic bubbles after a long day. Incorporating 120 heated bubble jets with Intex's unique patented Fiber-Tech™ construction PureSpa™ Bubble Therapy is like no other inflatable spa in the world today.

Relaxing can be fun.
